UNITED STATES' RESPONSE TO DEFENDANTS' EXPERT WITNESS NOTICES
(DOCS. 1550, 1559, 1560, 1561, 1562, 1563, and 1564)

The United States objects to the testimony of these experts to the extent the proposed testimony exceeds the Court's order limiting experts to testifying in generalities, including to gangs and prison settings generally. The Court has already ruled that experts cannot testify specifically as to the New Mexico Corrections Department or SNM gang. The United States also objects to the proposed testimony to the extent that the experts intend to offer opinion testimony beyond the scope of the experts' disclosures.
